

YSI DEN 2024

Congratulations to YSI 2024 team for getting into the den with only 10-15 schools being chosen in Ireland. Our topic is called girls play strong ; shattering stereo types it's about the challenges that women in sports face. We would love to interview girls in our year who are playing sports and to see if they face any challenges. The YSI den is on February 20th and the YSI speak out takes place on March 3rd we are taking part in the den online on a zoom call. If you want to get involved with sports outside of school or look at the myths around women in sports, check out <https://www.hermoves.ie/>.

YSI 2024 uPDATE

Hey! It's Katie and Niadh :) . We are part of Ms Delahoys killer YSI class. We have been working hard all year and we want to finally let you in on all of our progress Our campaign for this year is 'Girls Play Strong : Shattering Stereotypes' the aim of our project is to bring awareness and change to the horrible reality that men and women's sport are not viewed as equal. Boys school and men's sport receive much more funding, facilities, promotions and scholarships than women in sport and girl schools. This is not right. And we will change this ! Through the work of our project !!! Get ready for an EXCITING event coming soon to our school to teach all women in our school and the world that they have value and their sports are just as important as their male counterparts.
