### Parents' Association Annual Subscription

May 2024

Dear Parents/ Guardians,

On behalf of the Parents' Association (PA), I want to thank you for the annual subscriptions received for the school calendar year 2023/2024.

It is through this annual subscription and the subsequent monies raised, that we the PA acting on your behalf, supported many activities which took place throughout the school year including the following:

- 1st Year parents evening
- 6th Year Graduation
- The school Sports Day ice-creams and student treats
- Supporting the Debs Committee
- Provision of refreshments at school events
- Supporting guidance talks/keynote speakers for Parents/Guardians including dedicated student workshops
- Pilot Parents/Students Career Carousel evening

The PA canvassed all Parents/Guardians for their ideas prior to undertaking our remit in November 2023 and through this process reached consensus on which collective contributions to bring to fruition. We are delighted that so many initiatives were embraced and delivered for both students/parents working in collaboration.

I am now writing to seek your on-going support for our activities for the school year 2024/25.

Please assist the Loreto High School Parents' Association in its work to continue supporting the school, teachers and parents. The annual subscription is €10.00 per family. The subscription will be collected with your school fees invoice.

If you have any queries concerning this matter, please contact me or any member of the Committee through the email above. Thank you in anticipation of your assistance and support.
